

The screenshot shows the BeatBox website with several annotations in red:

- 1. Explain goal of the site: teach people how to "BEATBOX"**: A red line circles the navigation bar (BeatBox, HOME, TUTORIAL, QUIZ, START) and the large "BEATBOX" title.
- 2. Start Tutorial button**: A red circle highlights the "Start Tutorial" button.
- 3. Start Tutorial button to navigate to tutorial**: A red line connects the "Start Tutorial" button to the "10 MIN TUTORIAL" button below it.

The website features a colorful, cartoonish design with various characters and objects, including a robot, a cat, a dinosaur, and a pirate, all with a beatbox theme.

3. Start Tutorial button to navigate to tutorial

1. Explain the goal of this page: tutorial

The screenshot shows the 'TUTORIAL' page of the BeatBox application. The page has a navigation bar with links for 'BeatBox', 'HOME', 'TUTORIAL', 'QUIZ', and 'START'. A robot icon is positioned above the main content area. The main content is divided into two sections: a list of sounds on the left and a video player on the right. The list of sounds includes 'Letter B', 'T Sound', 'K sound', 'Lip Roll', and 'Zipper Sound', each with a 'Content for list item' placeholder. The video player shows a woman speaking into a microphone, with a 'Watch on YouTube' link and a 'Copy link' button. Below the video player are buttons for 'REDO RECORDING' and 'STOP', and a progress bar. Red arrows and a circle highlight the 'TUTORIAL' header, the list of sounds, and the video player area.
